H2020 European Health Brokerage Event – Oslo 2018

Oslo, Norway, 3&4 September 2018

We are glad to announce that Health NCP Net 2.0 together with the Research Council of Norway will organize an international brokerage event on Horizon 2020 Societal Challenge 1 “Health, Demographic Change and Wellbeing” calls in Oslo, on 3&4 September 2018.

Get involved in the next H2020 Health proposals!

This international brokerage event will help you to build your consortium for **2019 updated calls** of the 2018-2020 Health work programme, which will be open until April 2019. Don't miss this opportunity!

Why participate?

- Get all information needed on the upcoming Horizon 2020 calls in the « Health, Demographic change and Wellbeing » work programme
- Present your innovative project idea, or your competence, to an international audience and discover other participants' solutions and technologies
- Meet potential partners from Europe and beyond and start building your consortium

Target audience

Any applicant eligible to Horizon 2020 calls: Companies, universities, research and technology organizations, public sector, NGOs and patients associations...

Participation to the brokerage event is **free of charge**.

The registration website will open in June 2018

Health NCP Net 2.0 is funded by the European Union under the Horizon 2020 programme
